Dear Employees of Action Moving Services, Inc.:

Congratulations on receiving the Governor's Award in occupational safety. This award recognizes your exceptional efforts in implementing a comprehensive safety program, and the excellent safety record you have achieved as a result.

On average, more than 200 Minnesota workers are injured or become ill from work-related causes each day. Your safety program reduces work injuries and related costs, maximizes productivity, and builds morale. These outcomes improve the lives of your workforce and strengthen your organization, which, in turn, benefits all Minnesotans.

I commend you for your commitment, and thank you for your efforts to make Minnesota a safer and healthier place to work.

My best regards.

Sincerely,

A handwritten signature in black ink that reads "Mark Dayton".

Mark Dayton
